The Office of Workers' Compensation Programs administers the Longshore and Harbor Workers' Compensation Act. The Act provides benefits to workers injured in maritime employment on the navigable waters of the United States or in an adjoining area customarily used by an employer in loading, unloading, repairing, or building a vessel. In addition, several acts extend the Longshore Act's coverage to certain other employees. Title 20, CFR 702.317 provides for the referral of claims under the Longshore Act for formal hearings. This Section provides that before a case is transferred to the Office of Administrative Law Judges the district director shall furnish each of the parties or their representatives with a copy of a prehearing statement form. The form LS-18 is used to refer the case for formal hearing under the Act. Each party shall, within 21 days after receipt of each form, complete it and return it to the district director. Upon receipt of the forms, the district director, after checking them for completeness and after any further conferences that, in his/her opinion, are warranted, shall transmit them to the Office of the Chief Administrative Law Judge with all available evidence which the parties intend to submit at the hearing. Legal authority for this information collection is found at 33 U.S.C. 939. Regulatory authority is found at 20 CFR 702.317. For additional substantive

information about this ICR, see the related notice published in the *Federal Register* on June 1, 2020 (85 FR 33201).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. *See* 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
